

Chomp & Stomp Artists Load-In

Welcome everyone to Chomp & Stomp! This is your load-in packet for this year's festival.

The festival is from 11AM-6PM. Streets are closed until 7PM at the discretion of Atlanta Police. You are welcome to close up shop whenever you like. However, no vehicles are permitted inside the event area before 7 PM; you will have to hand-cart out if you wish to leave early.

Parking Lot Load-In Instructions:

- Wave 1 arrives at 724 Memorial Drive (Estoria Street entrance) 8:30am for a 9:00am escort
- Wave 2 arrives at Grindhouse Killer Burgers (701 Memorial Drive) 9:00am for a 9:30am escort
- We will provide you with a Dash Pass. It is very important that you have this form completed and placed on the driver's side dashboard. Volunteers will line up artists in order by booth number.
- Upon arrival, volunteers will guide you to a holding spot where you will wait until the caravan begins moving towards the Park. Turn your car off while you wait at the load in point.

Street Load-In Instructions:

- When we have received the clearance, your Artist load-in team will lead you to the festival. Please follow the volunteer's instructions.
- You will be led to an area very close, if not directly in front of, your spot. Your space number is spray painted on the street. When you do get to your spot, pull all the way over into your spot so others can pass.
- Unload your merchandise and equipment onto the sidewalk and let your buddy start setting up while you go park your car.
- **Set up your tents on the sidewalk.** Leave enough room for a full size firetruck to get down all the streets.
- You are required to weigh down & secure your tent.
